Project Description:

The One North Depot mixed use development is located in downtown Binghamton, NY at 1 North Depot Street. This development project will first and foremost provide affordable commercial space, housing, shared work space, and new green space close to the urban core of Binghamton, NY. The primary long term goals of the project are to attract new jobs, new small business, and to attract and retain skilled workers and local college graduates to the vibrant revitalization of downtown Binghamton. One North Depot will be comprised of at least 10 units (11,000 sq ft) of commercial storefront and office space, over 8,000 sq ft of shared work space for small businesses, and entrepreneurs, 10,000 sq ft of outdoor green space, and 55 units (40,500 sq ft) of residential upper floor housing, mostly in the form of 1 bedroom loft apartments. The 1 bedroom apartments will start at about \$695 per month. Work/live packages will be available which will include both an apartment, and a work space on the lower levels to do business out of. A primary focus of the redevelopment project will be to preserve the historic integrity of the structure. The building on site, 1 N Depot St was built between 1876 and 1885, and is listed on the national register of historic places and is a local landmark. Preservation of the original exterior brick facade and the original signage from historic local companies will be a priority. A structural analysis of the building has confirmed action needs to be taken now in order to preserve this large historic structure.

Every applicant is obligated to provide written proof and data (see attached ... forms) to the Agency/**IDA** as to the physical location of all the contractors who will work on the project.

The Agency/**IDA** will review the data provided and determine, on a case-by-case basis and in a fully transparent manner, whether the Applicant has substantially conformed to the policy.

An Applicant **will not be deficient** if the proposed project requires specifically skilled labor that is unavailable in the Local Labor Area.

An Applicant **will not be deficient** if the proposed project utilizes parts and supplies assembled elsewhere because no such assembly is available in the Local Labor Area.

An Applicant **will be held non-compliant** with the Labor Policy if it imports labor from outside the Local Labor Area when equal labor that is ready, willing, cost competitive, etc. resides in the Local Labor Area.

The Agency/IDA may determine on a case-by-case basis to waive any portion of this policy for a project or a portion of a project where consideration of warranty issues, necessity of specialized skills, significant cost differentials between local and non-local services, documented lack of workers meeting the Local Labor Requirement or if other compelling circumstances exist.

In consideration of the extension of financial assistance by the Agency/**IDA** One North Depot LLC (the Applicant) understands the Local Labor Policy and agrees to submit either or both a Local Labor Utilization Report or a Non Local Labor Utilization Report at the time that construction begins on the project to the Agency and as part of a request to extend the valid date of the Agency/**IDA**'s tax-exempt certificate for the One North Depot (the project).

The Applicant understands an Agency/**IDA** tax-exempt certificate is valid for 90 days effective the date of the project inducement and extended for 90 day periods thereafter upon request by the Applicant.

The Applicant further understands any request for a waiver to this policy must be submitted in writing and approved by the Agency/**IDA** before a tax-exempt certificate is issued or extended.

The Applicant further understands that if the required forms are not submitted to the Agency/**IDA**, the Agency/**IDA** shall have the authority to immediately terminate any and all Financial Assistance being provided to the Project.

I agree to the conditions of this agreement and certify all information provided regarding the construction and employment activities for the Project as of 7-11-2018 (date).

One North Depot LLC

Binghamton, NY 13901

The One North Depot mixed use development is located in downtown Binghamton, NY at 1 North Depot Street. This development project will first and foremost provide affordable commercial space, housing, shared work space, and new green space close to the urban core of Binghamton, NY. The primary long term goals of the project are to attract new jobs, new small business, and to attract and retain skilled workers and local college graduates to the vibrant revitalization of downtown Binghamton. One North Depot will be comprised of at least 5 units (11,000 sq ft) of commercial storefront and office space, over 8,000 sq ft of shared work space for small businesses, and entrepreneurs, 10,000 sq ft of outdoor green space, and 55 units (40,500 sq ft) of residential upper floor housing, mostly in the form of 1 bedroom loft apartments. The 1 bedroom apartments will start at about \$695 per month. Work/live packages will be available which will include both an apartment, and a work space on the lower levels to do business out of. A primary focus of the redevelopment project will be to preserve the historic integrity of the structure. The building on site, 1 N Depot St was built between 1876 and 1885, and is listed on the national register of historic places and is a local landmark. Preservation of the original exterior brick facade and the original signage from historic local companies will be a priority. A structural analysis of the building has confirmed action needs to be taken now in order to preserve this large historic structure.
