WHEREAS, no Financial Assistance shall be provided to the Company prior to the effective date of this Agreement.

NOW, THEREFORE, in consideration of the covenants herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is mutually agreed as follows:

1. PURPOSE OF PROJECT. It is understood and agreed by the parties hereto that the purpose of the Agency's provision of Financial Assistance with respect to the Project is to, and that the Agency is entering into the Lease Agreement, Leaseback Agreement, PILOT Agreement and Agency Agreement in order to, promote, develop, encourage and assist in the rehabilitation, renovation and equipping of the Project, to advance job opportunities, health, general prosperity and economic welfare of the people of the Village of

2. PILOT AGREEMENT. The parties hereto understand and agree that Exhibit “A” to this Agreement contains a copy of the PILOT Agreement to be entered into by and between the Company and the Agency.

3. TERMINATION, MODIFICATION AND/OR RECAPTURE OF ANY FINANCIAL ASSISTANCE. It is understood and agreed by the parties hereto that the Agency is entering into the Lease Agreement, the Leaseback Agreement, the PILOT Agreement, and the Agency Agreement in order to provide Financial Assistance to the Company for the Project and to accomplish the public purposes of the Act. The Company hereby makes the following representations and covenants in order to induce the Agency to proceed with the Project:

A. In accordance with Section 875(3) of the New York General Municipal Law, the policies of the Agency, and the Resolution, the Company covenants and agrees that it may be subject to a determination by the Agency resulting in the potential recapture of any and all Financial Assistance, as described below, if the Company receives, or any of its agents or subagents receive, any Financial Assistance from the Agency, and it is determined by the Agency that:

1. the Company, or its agents or subagents, if any, authorized to make purchases for the benefit of the Project is not entitled to the sales and use tax exemption; or

2. the sales and use tax exemption is in excess of the amounts authorized by the Agency to be taken by the Company, or its agents or subagents, if any; or

3. the sales and use tax exemption is for property or services not authorized by the Agency as part of the Project; or

4. the Company has made a material, false or misleading statement, or omitted any information which, if included, would have rendered any information in its application for Financial Assistance, or supporting documentation, false or misleading in any material respect.

Exhibit “B” contains the form of annual certification as so required as well as additional Project assessment information that the Agency requires, on an annual basis, to be submitted to the Agency by the Company.

The findings made by the Agency with respect to Sections 3(A)(1), (2), (3) and/or (4) and/or failure to provide the written confirmation as required by Section 3 may potentially be determined by the Agency in accordance with the Agency’s Policy for Termination, Modification and/or Recapture of Agency Benefits for the modification of any PILOT to

require increased payments. If the Agency makes a determination to recapture benefits, the Company agrees and covenants that it will (i) cooperate with the Agency in its efforts to recover or recapture any or all Financial Assistance obtained by the Company, and (ii) promptly pay over any or all such amounts to the Agency that the Agency demands in connection therewith. Upon receipt of such amounts, the Agency shall then redistribute such amounts to the appropriate affected tax jurisdiction(s). The Company further understands and agrees that, in the event that the Company fails to pay over such amounts to the Agency, the New York State Tax Commissioner may assess and determine the New York State and local sales and use tax due from the Company, together with any relevant penalties and interest due on such amounts.

B. In accordance with the Resolution, the Company further: (i) covenants that the purchase of goods and services relating to the Project and subject to New York State and local sales and use taxes are estimated in an amount up to \$18,000,000.00 and, therefore, the value of the sales and use tax exemption benefits authorized and approved by the Agency, including the increase approved by the Agency on May 19, 2021, subject to Section 3(A) of this Agreement, cannot exceed \$1,848,000.00.

C. The Company acknowledges and understands that a determination to recapture benefits made with respect to Section 3(A) of this Agreement will, in addition, immediately result in the loss and forfeiture of the Company's right and ability to obtain any and all future Financial Assistance with respect to the Project.

4. SURVIVAL. All warranties, representations, and covenants made by the Company herein shall be deemed to have been relied upon by the Agency and shall survive the delivery of this Agreement to the Agency regardless of any investigation made by the Agency.

EXHIBIT “A”

(SEE ATTACHED PILOT AGREEMENT)

THIS PAYMENT-IN-LIEU-OF-TAX AGREEMENT (the "Agreement"), dated as of November 1, 2021, by and between EJ VICTORY BUILDING, LLC, a limited liability company duly organized and validly existing under the laws of the State of New York, with an address for the transaction of business located at 225 Wilkinson Street, Syracuse, New York 13204 (the "Company") and the BROOME COUNTY INDUSTRIAL DEVELOPMENT AGENCY, a public-benefit corporation duly organized and validly existing under the laws of the State of New York, with an office for the transaction of business located at FIVE South College Drive, Suite 201, Binghamton, New York 13905 (the "Agency").

WITNESSETH:

WHEREAS, Title 1 of Article 18-A, as amended, of the General Municipal Law of the State of New York (the "Enabling Act") was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York (the "State"); and

WHEREAS, the Enabling Act authorizes the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State and empowers such agencies, among other things, to acquire, construct, renovate, reconstruct, lease, improve, maintain, equip and sell land and any building or other improvement, and all real and personal properties deemed necessary in connection therewith, whether or not now in existence or under construction or renovation, which shall be suitable for manufacturing, warehousing, research, commercial or industrial facilities, including industrial pollution control facilities, in order to advance job opportunities, health, general prosperity and the economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency to lease any or all of its facilities on such terms and conditions as it deems advisable, to issue its bonds for the purpose of carrying out any of its corporate purposes; and, as security for the payment of the principal and redemption price of, and interest on, any such bonds so issued and any agreements made in connection therewith, to pledge the revenues and receipts from its facilities or from the lease thereof; and

WHEREAS, pursuant to and in accordance with the provisions of the Enabling Act, Chapter 564 of the Laws of 1970 of the State (collectively, the "Act") created the Broome County Industrial Development Agency (the "Agency"), which is empowered under the Act to undertake the providing, financing and leasing of the facility described below; and

WHEREAS, the Agency was created as a public benefit corporation pursuant to and for

the purposes specified in Title 1 of Article 18-A of the General Municipal Law; and

WHEREAS, the Company has agreed to a lease/leaseback transaction, on the real property, more particularly described on Exhibit "A" attached hereto, consisting of the following: (A) (1) the acquisition by lease of 265,000+/- square feet within an existing primary structure situate on a 4.799+/- acre parcel of land located at 59 Lester Avenue in the Village of Johnson City, Town of Union, County of Broome and State of New York, more particularly described as Broome County Tax Map Parcel Number 143.58-1-19, and a 0.172+/- acre parcel of land located at 28 Avenue B in the Village of Johnson City, Town of Union, County of Broome and State of New York, more particularly described as Broome County Tax Map Parcel Number 143.57-2-44, (collectively, the "Land"), (2) the renovation on the Land of 156 market rate apartments and 7,500+/- square feet of commercial space for prospective businesses (the "Facility"), (3) the acquisition and installation therein and thereon of certain machinery, equipment, furniture, fixtures and other personal property (the "Equipment") (the Land, the Facility and the Equipment being hereinafter collectively referred to as the "Project"), all of the foregoing to be intended for use by the Company as a mixed use development building, and any other directly or indirectly related activities; and

WHEREAS, the Agency will lease the Project from the Company pursuant to a certain lease agreement (the "Lease Agreement,") and the Agency will lease the Project back to the Company pursuant to a certain leaseback agreement (the "Leaseback Agreement") for a term not to exceed thirty (30) years; and

WHEREAS, the Agency is exempt from the payment of taxes and assessments imposed upon real property, and as a further condition related to the leasing of the Project, the Company has agreed that, notwithstanding such exemption, the Company will nevertheless make payments to the Village of Johnson City (the "Village"), the Town of Union (the "Town"), the Johnson City Central School District (the "School District"), and the County of Broome (the "County") while occupying the Project in lieu of general tax levies.

NOW, THEREFORE, in consideration of the covenants herein contained, it is mutually agreed as follows:

1. Pursuant to Section 874 of the General Municipal Law and Section 412-a of the Real Property Tax Law, the parties hereto understand that, upon the acquisition by lease of the

Project by the Agency and the filing of an Application for Real Property Tax Exemption Form RP-412-a (the "Exemption Form") with respect to the Project, and for so long thereafter as the Agency has a leasehold interest in the Project, the Project shall be assessed by the various taxing entities having jurisdiction over the Project, including, without limitation, the Village, the Town, the School District and the County as exempt on their respective assessment rolls prepared subsequent to the acquisition by the Agency by lease of the Project and the filing of the Exemption Form. The parties hereto understand that the Project shall not be entitled to such exempt status on any tax roll until the first tax year following the tax status date subsequent to the date upon which the Agency acquires a leasehold interest in the Project and an Exemption Form is filed. The Company shall be required to pay all taxes and assessments lawfully levied and/or assessed against the Project, including taxes and assessments levied for the current tax year and all subsequent years until the Project is entitled to exempt status on the tax roll. The Agency will cooperate with the Company to obtain and preserve the tax-exempt status of the Project, including the preparation and filing of the Exemption Form.

2. During each tax year in which the Project shall be tax exempt, the Company agrees to pay to the Village, the Town, the School District and the County, the PILOT payments as shown on the PILOT Schedule attached hereto as Exhibit "B."

3. The Village, the Town, the School District and the County shall separately bill the Company for each in-lieu-of payment due hereunder. For the purposes of this Agreement, the term "Timely Payment" shall be defined as payment made within thirty (30) days after receipt by the Company of a written bill demanding payment.

4. Should the Company use the Project for other than a mixed use development facility or allied purposes such as defined in Article 18-A of the General Municipal Law without consent of the Agency, or acquire title during the term of this Agreement to the leased Project from the Agency, this Agreement shall terminate immediately and the Premises shall be returned to the non-exempt portion of the tax roll and be subject to taxation thereafter, including any portion of a tax year not otherwise covered by this Agreement.

5. If any default shall be made in the payment referred to in Paragraph 2, supra, the Company hereby agrees to pay the same to the extent above specified:

A. Without requiring any notice of non-payment or of default to the

Company, the Agency, or to any other person;

B. Without proof of demand.

6. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the General Municipal Law and Section 412-A of the Real Property Tax Law does not entitle the Agency to an exemption from special assessments and special ad valorem levies such as, but without limitation, charges for metered water and sewer rent. The Company hereby agrees to pay all special assessments and special ad valorem levies lawfully levied and/or assessed against the Project.

7. Pursuant to Section 858 (15) of the General Municipal Law, the Agency agrees to give the Village, the Town, the School District and the County a copy of this PILOT agreement within fifteen (15) days of the execution and delivery hereof, together with a request that a copy thereof be given to the appropriate officer or officers with respect to each taxing jurisdiction responsible for preparing the tax rolls for said jurisdiction, together with a request that said officer or officers submit to the Company and the appropriate receiver of taxes periodic statements specifying the amount and due date or dates of the payments due to each hereunder. Such periodic statements to be submitted to the Company at approximately the times that tax bills are mailed by such jurisdictions.

8. The Company agrees to pay the amounts due hereunder to each particular taxing jurisdiction in any calendar year to the appropriate receiver of taxes within the period that such taxing entity allows the payment of taxes levied in such calendar year without penalty. The Company shall be entitled to receive receipts for such payments.

9. Pursuant to Section 874(5) of the General Municipal Law, if the Company shall fail to make any payment required by this PILOT Agreement when due, the Company shall pay the same, together with a late-payment penalty equal to five (5%) percent of the amount due. If the Company shall remain in default beyond the first month after such payment is due, the Company shall thereafter pay a late-payment penalty of one (1%) percent per month for each month, or part thereof, that the payment due thereunder is delinquent beyond the first month plus interest thereon, to the extent permitted by law, at the greater of (a) one percent (1%) per month, or (b) the rate per annum which would have been payable if such amount were delinquent taxes, until so paid in full.

10. Pursuant to Section 874(6) of the General Municipal Law, if the Company should default in performing any of its obligations, covenants or agreements under this PILOT Agreement and the Agency or any taxing jurisdiction should employ attorneys or incur other expenses for the collection of any amounts payable hereunder, or for the enforcement or performance or observation of any obligation, covenant or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefore, pay to the Agency or such taxing jurisdiction, as the case may be, not only the amounts adjudicated due hereunder, together with the late-payment penalty and interest due thereon, but also reasonable fees and disbursements of such attorneys and all other expenses, costs and disbursements so incurred whether or not an action is commenced.

11. Notwithstanding the foregoing, the Agency reserves the right to terminate, modify, or recapture any benefits provided to the Company pursuant to this PILOT Agreement, as well as any other benefit provided to the Company, in accordance with the policy of the Agency set forth in Exhibit "C" attached hereto.

12. No remedy herein conferred upon or reserved to the Agency or any taxing jurisdiction is intended to be exclusive of any other available remedy or remedies, but each and every remedy shall be cumulative and shall be in addition to every other remedy given under this PILOT Agreement or now and hereafter existing at law or in equity or by statute. No delay or admission in exercising any such right or power accruing upon a default hereunder shall impair any such right or power or be construed as a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

13. All notices, demands or communications required to be given under this Agreement shall be forwarded simultaneously by Federal Express, or other similar overnight delivery service, to the respective addresses of the parties hereinafter set forth or to such other place(s) as any of the parties hereto may, from time to time, designate by written notice to the other:

POLICY FOR TERMINATION, MODIFICATION
AND/OR RECAPTURE OF AGENCY BENEFITS**

The goal of this Policy is to establish and provide a procedure as required by Section 875 of the New York State General Municipal Law for the termination, modification and/or recapture of Broome County Industrial Development Agency (the “Agency”) benefits provided to an applicant in order to induce such applicant to undertake a project in Broome County. For purposes of this policy, Agency benefits shall include any or all of the following:

- (i) exemptions from New York State and local sales and use tax;
- (ii) an exemption from the New York State mortgage recording tax; and/or
- (iii) an abatement from real property taxes provided through a payment-in-lieu-of-tax (“PILOT”) Agreement.

The Agency reserves the right to terminate, modify, or recapture Agency benefits if :

- (i) an applicant or its sub-agency (if any) authorized to make purchases for the benefit of the project is not entitled to the sales and use tax exemption benefits;
- (ii) sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the applicant or its sub-agents;
- (iii) sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the project;
- (iv) the applicant has made material, false, or misleading statements in its application for financial assistance;
- (v) the applicant has committed a material violation of the terms and conditions of a Project Agreement; and/or
- (vi) there is a material shortfall in job creation and retention projections as set forth in its application.

Upon the occurrence of any of the above conditions, the Agency Board may, upon

recommendation of the Executive Director, terminate, modify and/or recapture the Agency benefits provided to a specific project. Prior to undertaking such action, the Agency shall give written notice of its intention to terminate, modify and/or recapture Agency benefits to the applicant specifying the reasons why the Agency is considering such action. The applicant shall have twenty (20) days to respond to the Agency, either in writing or in person, providing such information and documentation as it deems appropriate for the Board to consider prior to making its decision. All such recaptured Agency benefits shall be redistributed to the appropriately affected taxing jurisdictions unless agreed to otherwise by such jurisdictions.

Notwithstanding the foregoing, the Agency retains the right to terminate Agency benefits as otherwise provided in project transaction documents including, but not limited to, failure of the applicant to make timely PILOT payments, to provide required reports, or to cooperate with Agency personnel in providing data regarding project progress.
